

# HOW TO apply for a U.S. Nonimmigrant Visa

You should follow the step-by-step instructions below to apply for a U.S. Nonimmigrant Visa, pay your visa fee and schedule a visa interview appointment at the U.S. Embassy in Bangkok. **Please note that these instructions below do NOT apply for fiancé visa applicants.**

1. Go to [www.ustraveldocs.com/th](http://www.ustraveldocs.com/th). Review the general information on how to apply for a U.S. visa and the requirements for each visa category.
2. Complete your DS-160 online application form (each individual requires his/her separate DS-160). You will need to print out the DS-160 confirmation page after you have submitted it online (required for the interview).
3. Create your profile using your personal email address on [www.ustraveldocs.com/th](http://www.ustraveldocs.com/th)
4. Be sure to supply all the required personal information: your passport number, name, date of birth, visa type, DS-160 application ID, etc. Please note that your name **MUST** be exactly the same as it is written in your passport and that you must include any other names you have used.
5. Pay for the visa fee in Thai baht either by Electronic Fund Transfer OR pay in cash directly at a Krungsri Bank. If you pay cash, you **MUST** print your **CGI Cash deposit slip** and bring it with you to the bank – without this slip, the bank will not accept the fee.
6. Once the fee has been paid, you will receive an email from the system after 12:00 of the following business day (if paid by cash) or in 2 business days (if paid via online banking) notifying you that the system is ready to schedule your appointment. You should log back in to your profile and schedule an interview at any available time.
7. Once you schedule an interview appointment, print your appointment confirmation page (required for the interview).
8. Come to the Embassy for an interview. You need following documents.
  - a. Appointment confirmation letter
  - b. DS-160 confirmation page
  - c. Current passport and all previous passports you have
  - d. One visa photo (2X2 inches with white background)
  - e. Supporting evidence for your visa category, if any
